Further to our telephone conversation today we are writing to confirm that we will be providing our services on behalf of Hastings Group, to ensure your claim is dealt with as quickly as possible with minimum inconvenience and no cost to you.

We can confirm the following service will be provided:

1. No paperwork, simply call our helpline **0344 3221608** and we will do the rest.
2. No charges, no policy excess to pay and the repair cost will be billed directly to FMG.
3. At least 3 year workmanship quality guarantee.
4. Free replacement vehicle whilst your own is off the road. The cost of the replacement vehicle will be billed directly to FMG, which includes insurance cover to match your own whilst you have use of the vehicle. Our daily hire rates are significantly less than the charges that you would personally be liable to pay if you hired from a credit hire company. Our daily rate for a replacement vehicle of a similar make and model as your own would be £1.00. We stress that this is the cost to us – the vehicle will be provided to you free of charge.
5. Free collection and re-delivery of your own vehicle (Except for mobile repairs).
6. No loss of No Claims Discount
7. In the event your vehicle is deemed a Total Loss, our dedicated Total Loss Team will manage the claim, keeping you updated with all developments.

Please note if you do not wish to utilise our repair service we can still provide a replacement like for like vehicle whilst your own is being repaired – that vehicle will be provided on the terms above.

If you have already made other repair / hire arrangements, please pass this letter to your insurers / representatives as they will need to know that we have made this offer to you. We would also like to take this opportunity to remind you of your duty to keep your losses at a reasonable level.

In our discussion you advised that you were not injured as a result of the accident and will not be pursuing a claim for any injuries. We have updated our file accordingly. If at any point you do feel that you have suffered injury from this incident then you may be eligible to use the Official Injury Claim online service. Full details including the 'guide to making a claim' can be found at www.officialinjuryclaim.org.uk

Please note our offer can be withdrawn at any time, for any reason.

Please contact our Third Party claims helpline on **0344 3221608** if you have any further queries.

Please note you have the right to seek legal advice. If you do not have a solicitor, details of how you can access one can be obtained via the Law Society website, or you may wish to contact the Citizens Advice Bureau. For further guidance on your claim, you can access the ABI Consumer Guide for Third Party Assistance on the ABI website.

Yours faithfully
